

# PUBLIC LEADER

Eyesight

SIXTH YEAR.

MAYSVILLE, KY., TUESDAY, JUNE 29, 1897.

ONE CENT.

**Story CIRCULATION**  
LARGEST IN THE CITY.

### Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can give away his goods or shoes. A newspaper is a business enterprise. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

### The Continued Calls

Upon **THE LEADER** for free notices have become so burdensome that we are forced to publish the following terms:

### Pay Notice of Shipments

Advertisements, fairs, or other public entertainments where a fee is charged, and for carrying notices, revolvers of respect, etc. **THE LEADER** will charge FIVE CENTS A LINE, and heretofore this will be the invariable rule. This, however.

### Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

### Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for **Business Leads** in **THE LEADER** is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. It is told you when to take it out. He says to the bookkeeper. But he forgets all about it. The next morning a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, we "fill" **THE LEADER** notices with a penciled **REMARK**. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call **THE LEADER**, Telephone 33, and send it in.

## A Satisfactory Shop to Deal In!

No garment leaves our house that is not satisfactory to us. This is the chief reason they are satisfactory to you. No matter what price suit you buy we do not permit you to take it away until we are perfectly satisfied that it is perfect in its entirety. That our efforts in that line are appreciated is fully evidenced by the hundreds who have visited our house in the past week.

## Our Crash and Homespun Suits!

at \$3.90, \$5 and \$7! are great advertisers. They proved the hit of the season.

## Our Line of Cheviot, Cassimere and Serge Suits

for Men, Boys and Children is yet quite large. No matter what you want we can please you. Considering the high quality, you will find Prices Very Reasonable.

**BADLY BITTEN.**

Thomas Plummer Bitten By a Mad Dog Near Ruggles Campground.

Wednesday last Thomas Plummer, a sixteen-year old son of Mr. Robert Plummer, was working in a field near the Ruggles Campground.

Without warning he was attacked by a rabid dog, and was badly bitten about the hands and arms.

In order to protect himself he held the animal for over an hour before assistance reached him and the dog was killed.

The beast had bitten a number of animals before it attacked the boy.

A "madstone" was applied—and a horsechestnut would have been just as efficacious.

The lad will be sent to Chicago for treatment as soon as possible.

The closing exercises of the Medical Department of the Central University of Kentucky will take place at Macaulay's Theater, Louisville, Thursday evening, July 1st. Among the graduates will be Mr. Carl Lewis Wheeler, son of Mr. Charles Wheeler formerly of this city.

Robert Blue, one of our oldest colored citizens, died rather suddenly about 13 o'clock last night. He had been ailing for some time, but his condition was not thought to be serious. Deceased was an old soldier. His only surviving family consists of a stepdaughter.

There was a good audience at the opening of the Summer Theater in Electric Park last evening. The management did all in its power to give a satisfactory entertainment, but owing to circumstances beyond control the Phantoscope failed to work. We are assured it will be all right for this evening. The Arabs are wonderful as examples of physical strength. The charming Rummy sisters drew forth well-merited applause. Owing to the failure of the Phantoscope, Manager Fremont gave each one in attendance a ticket for tonight's performance, which was a generous act on his part. Go tonight and see everything in good shape.

### ACCIDENTAL SHOOTING.

Officer James Molen Makes a Fortunate Escape Yesterday Afternoon.

About 1 o'clock last afternoon Officer James Molen had a close call.

He was handcuffing a prisoner named Brown at the Jail, preparatory to starting with him for the city rock quarry.

While he was stooping over Molen's pistol dropped from his holster, fell on the stone floor and was discharged.

The ball, a .35 caliber Colt, entered the fleshy part of the right forearm, passing clean through and lodging in the ceiling. It was a fortunate escape, for while the wound is painful it is not dangerous.

Mr. Molen was at once taken to Dr. Reed's office where the wound was dressed.

**TOMORROW EVENING.**

Mr. John Schaeffe Will Wed Miss Winnie Tarrion at Newport.

The marriage of Mr. John Schaeffe and Miss Winnie Tarrion will take place tomorrow evening at 8 o'clock at the residence of Judge A. W. Tarrion at Newport.

Miss Tarrion resides at California, Ky., and is a very estimable young lady.

The groom is a son of Mr. and Mrs. Fred Schaeffe of West Second street, and is at present C. and O. Agent at Mentor, and is one of Mayville's most respected young men.

After the ceremony Mr. and Mrs. Schaeffe will leave for a ten days trip to Louisville and Nashville, and on their return take up their residence in California.

**GIVEN NEW TRIAL.**

Bob Taylor, Convicted By One Jury, May Be Freed By Another.

Last week Robert Taylor, colored, was tried by a Jury in the Circuit Court, charged with detaining a woman against her will.

The Jury fixed his punishment at two years in the Penitentiary.

Yesterday it developed that the prosecuting witness was a magnificent liar, and the Court ordered a new trial.

Judge Harbison, whose idea of justice is backed up by a fund of the best of good sense, promptly directed the Clerk to take Taylor's oral recognition for his appearance at next term.

This is much better than keeping an innocent man in Jail; and the pity is he has no recourse for the several months confinement he has already endured.

It is said by a New York exchange that there is a girl there who needs bread with her gloves on. We don't see anything so very remarkable about that. We need bread with all our clothes on; but some subscribers who are away in arrears don't pay up soon, we will need bread without anything on.

The society young ladies of Lexington, wearing caps and badges, took charge of the electric cars in that city Friday evening at five o'clock, and collected all fares until 10:30. The money so collected was given to the Children's Home. The ladies only acted as conductors, the regular motormen holding the grip. A large amount of money was collected.

DIPLOMA OF HONOR TO THE PHILIPINE LITERATURE is the name conferred by an Italian chemist upon a new compound he has discovered. It is warranted to cure—or kill.

FOURTH ASSISTANT POSTMASTER GENERAL BRISTOW is making a record. It is estimated that he has appointed something like 8,000 Republican Postmasters, and they say he has just begun. There couldn't be any stronger proof to show that Mister CLEVELAND did just what THE LEDGER has always charged—filled every Postoffice with Democrats.

At last the advocates of the free and unlimited sale of silver have reached the state of openly and unflinchingly announcing as their cardinal principle the creation and enforcement of a law which should permit people to pay their debts with less than one-half of what they received when those debts were made. The platform adopted by the Free-silver "Republicans," so called, who recently gathered at Chicago, at the expense of the silver mine owners, proposes to clothe both metals with every attribute of full money, "with the right of every debtor to pay with coins which shall be the basis of payment." While this principle of paying debts in dollars worth less than one-half those received when the debt was made has been covertly a part of the plan of the silverites, they have never had the assurance before to openly and specifically declare it.

HENRY CLEWS, the eminent New York financier, says the great spectacular event of Queen VICTORIA'S Jubilee has not been without its effect upon the practical imagination of Wall Street. The population of this country has grown up to probably in the neighborhood of 73,000,000, which is about double what it was at the termination of the War—thirty-two years ago—thus showing that this is a pretty progressive country—but there are others. Let us see how the above statement compares with the increase in the British Empire. At the commencement of the Queen's reign in 1837 the number of her subjects was 137,500,000. After sixty years' prosperous reign (which has been celebrated so grandly in London) her subjects now number 353,500,000; and this great and good woman is now Queen and Empress over one-fourth of the populated globe. This exhibit makes the strongest argument possible in favor of the International Arbitration Treaty between this country and Great Britain. Such an obligation will unite 430,000,000 of people under an international compact, so that this country will get a full equivalent in the undertaking, especially as its influence over other Nations cannot fail to gradually bring them into a similar happy relationship, when the sword will be effectually conquered by the pen. This should be brought about in time to start the twentieth century with, and a jubilee between the various Nations should take place that will eclipse the notable one of last week, making the first year of the coming century the great jubilee civilization year.

The custom of closing the cotton mills during the summer months which has prevailed in New England during the operations of the Wilson Law will not be followed this season, the recent announcement from the manufacturing districts there indicating that work is to go steadily on this summer in view of the prospect that a Protective Tariff will soon be upon the statute books.

SENATORS VEST, MILLS and JONES have ceased to wall about the relation of the pending Tariff measure to the Sugar Trust since the newspapers have called attention to the fact that under their manipulation of the Wilson Bill Sugar Trust stock advanced 50 per cent. In value, while it has only been slightly affected—an increase of 6 per cent.—during the consideration of the Dingley Bill.

The wool schedules of the Senate Tariff Bill have, like nearly all of the other changes made by the Finance Committee, yielded to popular sentiment, and the schedules of first and second class wools are to be brought back to within one cent per pound of the rates named by the House Bill. It is probable that the Finance Committee will fully restore the House rates on wool and sugar, and that the Bill will become a law within a fortnight.

The New York Sun calls attention to the fact that the system of political duopoly, whereby the work of government is carried on in turn by one or the other of two great political parties, has by no means always existed in the United States.

WASHINGTON had no opponent for the Presidency in 1788, or again in 1792. MONROE had no opponent in 1820; he received every Electoral vote but one. There were four candidates for the Presidency in 1824, and there were several in 1828 and 1836.

There were four candidates for the Presidency 1850.

There were Free-soil Senators and Free-soil Representatives in Congress long before the Republican party was formed.

For two years before that party was formed the Know Nothing or Native American party was very strong in the popular branch of the Federal Legislature.

There are Populist Senators and Populist Representatives today; there are Silver Republicans and Gold Democrats; the outcome of which subdivision is that party government in a strict sense is scarcely practicable in the Senate.

The little son of Mr. and Mrs. John Cobb of the Sixth Ward is recovering from his recent illness. Judge M. H. Houston of Ashland will probably be a candidate for the silverite nomination for Governor. The Polk Place in Nashville was sold under order of court for \$15,000. The sale is likely to be confirmed.

New York is to erect a soldiers' memorial monument to cost \$800,000. It has been decided to place the monument in the Plaza, at Fifty-ninth street and Fifth avenue, near the entrance to Central Park.

**FIRST WARD MISSION.**  
Grand Success Was the Entertainment Last Night For This Noble Work.

As predicted the festival of song and music at the Opera-house last evening for the benefit of the First Ward Mission was a pronounced success, both from a musical and financial standpoint.

The ladies who planned this to secure funds to carry on their Christian work, and who have so faithfully given their time for the past few weeks to secure the best talent out of their city, together with some artists from abroad, may well feel proud of their undertaking.

A large audience was present, and the interesting and varied program was thoroughly enjoyed by everyone.

**Horse Thief Shot.**  
HENDERSON, Ky., June 28.—A thief refusing to give his name stole a blooded mare Friday night from Marion Fennell, in Webster county, was overtaken at Williams' Ferry and refused to surrender, firing three shots at his pursuers, wounding one severely. As the thief argued the animal into the river the posse fired, and the culprit tumbled into the water with a shattered thigh bone.

**Attempted to Pass a Banned Bill.**  
CARTERSVILLE, Ky., June 28.—Deputy United States Marshal Pritchard, of Grayson, swore out warrants Monday for William Wilson and Henry Miller, now confined in jail here, charged with trying to pass a raised bill at Carter's Ferry and refused to surrender, firing three shots at his pursuers, wounding one severely. As the thief argued the animal into the river the posse fired, and the culprit tumbled into the water with a shattered thigh bone.

His trial began Monday afternoon and the soldiers will remain in Franklin during the progress of the case. The militia were called out by Gov. Bradley upon the reputation of the officials of Franklin county, who feared that the mob spirit was still rife.

**AGAINST HALBERT.**

Second Chapter in the Breach of Promise Suit at Cincinnati.

After Miss Alice Armstrong had brought her damage suit for breach of promise against Henry D. Halbert of Vanceburg, Mrs. Julia Weiss, with whom Halbert and Miss Armstrong boarded in Cincinnati, sued him for a large board bill, and levied an attachment against his money in bank, on the ground of nonresidence.

Friday Judge Davis overruled a motion by Halbert's attorneys to discharge the attachment, thus following Judge Jelke's decision of a similar motion in Miss Armstrong's case.

The attachments in the two suits hold about \$2,000 in bank.
